

Thriving After Brain Injury:

Help for the Journey

HABI Virtual Conference
Saturday, April 23, 2022
Cost: FREE

Pre-recorded videos will be available to view starting at 8 a.m. and will also be available for viewing anytime thereafter.

Our expert speakers will share their knowledge and experiences, helping you learn to thrive after brain injury.

Topics include:

- Thriving in social situations
- Music therapy
- Mindfulness
- Roundtable discussion
- Art therapy
- Coping skills
- Importance of peer mentorship
